

This is a detailed topographic map of a 36-section township, likely in Oregon, showing terrain, roads, and geographical features. The map is divided into 36 sections, numbered 1 through 36. Key features include:

- Geographical Features:** The map shows a river (likely the Willamette River) flowing through the center, and a road (likely the Willamette Road) running along the bottom. The terrain is hilly, with numerous contour lines indicating elevation. The highest elevation shown is 114.45 feet.
- Section Numbers:** The sections are numbered 1 through 36, arranged in a 6x6 grid. The sections are labeled "Sec. 1" through "Sec. 36".
- Section Area:** The total number of acres in the township is 2,293.25.
- Scale:** The scale is 1 inch = 40 chains.
- Coordinates:** The map includes latitude and longitude coordinates. The latitude is 45° 40' N, and the longitude is 122° 40' W.
- Other Labels:** The map includes various labels for roads, rivers, and other features. For example, "Willamette Road" is labeled at the bottom, and "Willamette River" is labeled on the left side.
