This plat delineates a reestablishment of the original survey of the lines of sections 17, 20, 28, 29, 32, 33, the East halves of sections 19, 30, 31 and the SE 1/4 of section 18 as shown upon the plat approved April 17, 1875 in their true original positions according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the re-tracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions, not shown hereon.

The plat also delineates an independent reestablishment of the SW 1/4 of section 18 and of the West halves of sections 19, 30, and 31. All tract segregations shown hereon represent the position and form of said tracts under the original description as referred to the original survey, located as such on the ground according to the best available evidence of their true position. All other claims conform to the lines of the dependent resurvey above noted.
